

NET_LEARNING PROJECT – INTERNATIONAL MOBILITY
PROGRAMME SPECIALIST COURSE PROGRAMME –
ROMA, ITALY
04-07 SEPTEMBER 2017

After completion of the basic course on www.newenergytorebuild.eu, a group of 10 architects, under the age of 35, will be selected to participate in a one-week Specialist Course Rome (Italy). The Specialist Course is free of charge. An economic contribution for travel and accommodation expenses will be provided by the partners of the NET_Learning project. The Specialist Course will last 5 days (plus 2 days for transfer) and will be focused on the analysis of case studies representing relevant examples of retrofitting.
